Dear Ms. McGrath and Ms. Parks:

Enclosed is the agency's appropriation year 2013 Monthly Financial Report as of May 31, 2013. The following is a narrative summary of budget adjustments, projected budget variances, capital budget issues, and other key budget issues known at this time.

BUDGET ADJUSTMENTS

The budget adjustments listed below apply to the appropriation year 2013 as of the end of May 2013. Adjustments to Health and Human Service Commission's (HHSC) appropriation pattern as detailed in the Conference Committee version of H.B.1, Article II are described.

- A. This adjustment reflects the reduction in appropriations for Data Center Services, pursuant to H.B.1, 82nd Legislature, Regular Session, Article IX, Sec. 17.01.
- B. Pursuant to our letter dated August 29, 2011 and H.B.1, 82nd Legislature, Regular Session, Article II, HHSC Rider 12 (2), this adjustment reflects the transfer to combine Goal C strategies 3.1.2, Immigrant Children Health Insurance, and C.1.3., School Employee Children, with C.1.1., Children's Health Insurance Plan (CHIP) Services.
- C. This adjustment reflects the additional appropriation for Medicaid services pursuant to H.B.1, 82nd Legislature, Regular Session, Article IX, Sec. 18.12 (a).
- D. This adjustment reflects changes in estimated federal funds per H.B. 1, 82nd Legislature, Article II, HHSC Rider 9, *Authorization to Receive, Administer, and Disburse Federal Funds*.

|----|--|
| E. | This adjustment reflects the transfer of \$330.9 million in general revenue funds from appropriation year 2013 to appropriation year 2012 pursuant to HHSC Rider 7, <i>Appropriation Transfers between Fiscal Years</i> , to address funding needs in Goal B Medicaid and Goal C CHIP strategies. The amount transferred to 2012 in Goal C Chip has been reduced this month. |
|----|--|
- F1-F4
- In accordance with H.B. 1, 82nd Legislature, Regular Session, Article II, Special Provisions, Sec 7, HHSC requested approval in May, 2012 to utilize the additional general revenue funds made available from higher Federal Medical Assistance Percentage (FMAP) matching rates in fiscal year 2013. These adjustments reflect the impact of the 2013 FMAP change on federal funds and related general revenue matching funds retained at HHSC. Approval was also received to transfer general revenue made available from the FMAP change at Department of Assistive and Rehabilitative Services (DARS) and the Department of State Health Services (DSHS). Adjustment F4 reflects the transfer of \$1.4 million from DARS to HHSC pursuant to that request.
- G.
- Pursuant to our letter dated May 23, 2012 and H.B.1, 82nd Legislature, Regular Session, Article II, HHSC Rider 12(a), this adjustment reflects the appropriation transfer for Enrollment Broker Functions from Strategy A.1.2., Integrated Eligibility and Enrollment, to Strategy 4.1., State Medicaid Office.
- | | |
|----|---|
| H. | This adjustment reflects the carry forward of unexpended capital budget balances from appropriation year 2012 pursuant to H.B.1, 82 nd Legislature, Article IX, Sec. 14.03(j). Schedule 7 of this report details the capital projects with unexpended balances included in this adjustment. Amounts have been updated for this month's report. |
|----|---|
- I.
- In a letter dated October 26, 2011, HHSC requested approval to transfer general revenue from DARS to HHSC. This adjustment reflects the transfer for fiscal year 2013 of these funds, appropriated for Early Childhood Intervention therapies for Medicaid-eligible children. Payment for these therapy claims transitioned to HHSC effective October 1, 2011.
- J.
- HHSC Rider 26 limits debt service for the Texas Integrated Eligibility Redesign System (TIERS) to the amount appropriated each year in HHSC's capital budget rider for TIERS payments to the Master Lease Purchase Program (MLPP). The TIERS MLPP obligation for fiscal year 2012 exceeded the capital rider appropriation. This adjustment reflects a reduction in the fiscal year 2013 appropriation to offset the increase needed for fiscal 2012 payments.
- K.
- Pursuant to the HHSC letter dated September 25, 2012, and the approvals issued by the Legislative Budget Board (LBB) and Office of the Governor on December 5, 2012 and January 15, 2013, respectively, this adjustment reflects transfers of General Revenue funds within Goal B Medicaid strategies to meet cash flow needs through March 2013.
- L.
- In accordance with the LBB approval letter issued December 5, 2102 in response to our request, dated November 5, 2012, to exceed the transfer limitation on capital budget expenditures, this adjustment reflects the transfer of available funding from

- strategy A.1.2., Integrated Eligibility and Enrollment to strategy G.1.1., Inspector General, for a Fraud Case Management System capital budget item.
- M. This adjustment reflects the carry forward of \$10.2 million in unexpended general revenue from fiscal year 2012 in strategy A.1.2., Integrated Eligibility and Enrollment, pursuant to the HHSC request dated May 3, 2012 and the authority under H.B.1, 82nd Legislature, Regular Session, Article II, HHSC Rider 35, *Unexpended Balance Authority for Eligibility Determination Services*.
- N. Pursuant to our letter dated May 3, 2012 and HHSC Rider 12, this adjustment reflects the transfer of \$10.2 million from strategy A.1.2., Integrated Eligibility and Enrollment, to fund women's health services fiscal year 2013.
- O. H.B. 10, 83rd Legislature, Regular Session, provided \$262.1 million in supplemental appropriations for the provision of services under the CHIP program in fiscal year 2013. This adjustment reflects that additional appropriation authority and how we project that it will be allocated to various strategies with Goal C. As actual expenditures are incurred in future months, this allocation may be updated.
- P. The 83rd Legislature also provided \$8.4 billion in supplemental appropriations under H.B. 10 to meet fiscal year 2013 projected caseload and costs for Medicaid services. This adjustment reflects the additional appropriation authority and how we project that it will be allocated among strategies with Goal B.
- Q. This adjustment is pursuant to HHSC Rider 17, *Cost Sharing – Medicaid Clients*, and reflects the receipt of cost sharing revenue in excess of the amount estimated by the 82nd Legislature. The amounts have been updated this month.
- R. Pursuant to HHSC Rider 5, *Vendor Drug Rebates-Medicaid and CHIP*, this adjustment reflects the actual receipt of Medicaid Vendor Drug Rebates and Supplemental Rebates (ABEST 706 and 8081) in excess of the amount estimated by the 82nd Legislature. The amounts have been updated for this month's report.
- S. In accordance with H.B. 1, 82nd Legislature, Art. IX, Sec. 14.04, *Disaster Related Transfer Authority*, and our letter dated May 6, 2013, this adjustment reflects the transfer of \$250,000 from strategy A.1.2., Integrated Eligibility and Enrollment, to D.1.3., Disaster Assistance, for expenditures related to the explosion in West, Texas.

BUDGET VARIANCES

The budget variances in this report continue to reflect trends for caseloads and costs and assumptions regarding federal matching funds included in HHSC's Legislative Appropriations Request (LAR) submitted August 23, 2012, and, consequently, do not present an updated presentation of our projected final position at the end of the biennium. We anticipate providing updates of our LAR projections in a future report.

In addition, we have not included in this report a number of appropriation adjustments impacting budget variances in Schedules 3 and 5 that were included in the agency's LAR. These adjustments will be included in future reports only as required notifications are submitted, approvals received, revenues collected, and/or actual adjusting entries are processed in the

Uniform State Accounting System. HHSC anticipates that future collected Medicaid-related revenues will substantially offset the current budget variances for FY 2013.

Note that Schedule 3 indicates balances in the variance column for certain estimated appropriations that HHSC projects will not be fully realized and for others that HHSC anticipates will exceed the initial H.B.1 appropriation.

- Appropriations that are anticipated to result in lapsed budget authority because revenues will not be collected are expressed as a positive variance (3643 Premium Co-payments, Low Income Children, 666 Appropriated Receipts, and 8062 Appropriated Receipts – Match for Medicaid). *Note that the positive variance for 8075 Medicaid Cost Sharing does not reflect an estimated lapse, but the amount that the agency has collected in excess of the estimate included in the LAR.*
- Appropriations for which revenues are projected to exceed the SB 1 estimate are reflected as a negative variance (705 Medicaid Program Income, 706 Vendor Drug Rebates - Medicaid, 8070 Vendor Drug Rebates - CHIP, 8081 Vendor Drug Rebates - Supplemental, 0777 Interagency Contracts, and 8044 Medicaid Subrogation Receipts).

Finally, note that, in an effort to focus on anticipated general revenue shortfalls and/or surpluses, HHSC has increased the Operating Budget column prior to actual revenue collection for those federal funds that it projects will exceed the H.B.1 estimate and has decreased the Operating Budget for those for which federal revenues are anticipated to be less than the H.B.1 estimate.

SIGNIFICANT CHANGES FROM PREVIOUS REPORT

This is the ninth report for appropriation year 2013. This month's report includes the transfer of general revenue appropriations to Disaster Assistance to support expenditures related to the explosion in West, Texas (Adjustment S). Other changes in the Operating Budget this month include updates for revenue collections that exceed the amount appropriated by the 82nd Legislature (Q and R), the HHSC Rider 7 transfer to fiscal year 2012 in Goal C CHIP (E) and the carry forward of unexpended capital budget balances from fiscal year 2012 (H).

OTHER KEY BUDGET ISSUES

The Method of Finance used throughout the report is based upon currently known federal cost allocation factors and methodologies and will be updated as required by the federal government, which could result in future Method of Finance adjustments.

CAPITAL BUDGET ISSUES

The budgets and projected expenditures in Schedule 7 (Capital Projects) reflect the HHSC 2012-2013 capital appropriation levels. Adjustments will be reflected in Monthly Financial Reports as

Ms. Kate McGrath, Deputy Director
Ms. Ursula Parks, Director
July 1, 2013
Page 5

revenues are realized and/or actual adjusting entries are processed in the Uniform State Accounting System.

The Capital Projects schedule has been updated to reflect current year-to-date expenditures.

Adjustment H reflects carry forward from fiscal year 2012 to 2013 pursuant to Article IX, Sec 14.03 (j) Limitations on Expenditures - Capital Budget (UB) - Improve Security for IT Systems.

Adjustment CC1 reflects transfers from non-capital to capital budget items and transfers between an existing capital budget item and an additional capital budget item within 25% authority pursuant to Article IX, Sec 14.03 (i) Limitations on Expenditures - Seat Management Services and Centralized Data Repository.

Please let me know if you have any questions or need additional information. Ms. Lisa Subia, Budget Director, is serving as the lead staff on this matter and can be reached at (512) 424-6893 or by e-mail at Lisa.Subia@hhsc.state.tx.us.
