

TEXAS HEALTH AND HUMAN SERVICES COMMISSION

KYLE L. JANEK, M.D.
EXECUTIVE COMMISSIONER

December 3, 2012

Mr. Jonathan Hurst, Director
Governor's Office of Budget, Planning and Policy
1100 San Jacinto, 4th Floor
Austin, Texas 78701

Ms. Ursula Parks, Director
Legislative Budget Board
1501 North Congress Avenue, 5th Floor
Austin, Texas 78701

Dear Mr. Hurst and Ms. Parks:

Enclosed is the agency's appropriation year 2013 Monthly Financial Report as of October 31, 2012. The following is a narrative summary of budget adjustments, projected budget variances, capital budget issues, and other key budget issues known at this time.

BUDGET ADJUSTMENTS

The budget adjustments listed below apply to the appropriation year 2013 as of the end of October 2012. Adjustments to Health and Human Service Commission's (HHSC) appropriation pattern as detailed in the Conference Committee version of H.B.1, Article II are described.

- A. This adjustment reflects the reduction in appropriations for Data Center Services, pursuant to H.B.1, 82nd Legislature, Regular Session, Article IX, Sec. 17.01.
- B. Pursuant to our letter dated August 29, 2011 and H.B.1, 82nd Legislature, Regular Session, Article II, HHSC Rider 12 (2), this adjustment reflects the transfer to combine Goal C strategies 3.1.2, Immigrant Children Health Insurance, and C.1.3., School Employee Children, with C.1.1., Children's Health Insurance Plan (CHIP) Services.
- C. This adjustment reflects the additional appropriation for Medicaid services pursuant to H.B.1, 82nd Legislature, Regular Session, Article IX, Sec. 18.12 (a).
- D. This adjustment reflects changes in estimated federal funds per H.B. 1, 82nd Legislature, Article II, HHSC Rider 9, *Authorization to Receive, Administer, and*

Disburse Federal Funds. Amounts reflect estimates in the agency's recently submitted Legislative Appropriations Request.

- E. This adjustment reflects the transfer of \$333.3 million in general revenue funds from appropriation year 2013 to appropriation year 2012 pursuant to HHSC Rider 7, *Appropriation Transfers between Fiscal Years*, to address funding needs in Goal B Medicaid and Goal C CHIP strategies.

F1-F4	In accordance with H.B. 1, 82 nd Legislature, Regular Session, Article II, Special Provisions, Sec 7, HHSC requested approval in May, 2012 to utilize the additional general revenue funds made available from higher Federal Medical Assistance Percentage (FMAP) matching rates in fiscal year 2013. These adjustments reflect the impact of the 2013 FMAP change on federal funds and related general revenue matching funds retained at HHSC. Approval was also received to transfer general revenue made available from the FMAP change at Department of Assistive and Rehabilitative Services (DARS) and the Department of State Health Services (DSHS). Adjustment F4 reflects the transfer of \$1.4 million from DARS to HHSC pursuant to that request.
-------	--

- G. Pursuant to our letter dated May 23, 2012 and H.B.1, 82nd Legislature, Regular Session, Article II, HHSC Rider 12(a), this adjustment reflects the appropriation transfer for Enrollment Broker Functions from Strategy A.1.2., Integrated Eligibility and Enrollment, to Strategy 4.1., State Medicaid Office.

H.	This adjustment reflects the carry forward of unexpended capital budget balances from appropriation year 2012 pursuant to H.B.1, 82 nd Legislature, Article IX, Sec. 14.03(j). Schedule 7 of this report details the capital projects with unexpended balances included in this adjustment. The amount has been updated for this month's report.
----	---

- | | |
|----|--|
| I. | In a letter dated October 26, 2011, HHSC requested approval to transfer general revenue from DARS to HHSC. This adjustment reflects the transfer for fiscal year 2013 of these funds, appropriated for Early Childhood Intervention therapies for Medicaid-eligible children. Payment for these therapy claims transitioned to HHSC effective October 1, 2011. |
|----|--|

J.	HHSC Rider 26 limits debt service for the Texas Integrated Eligibility Redesign System (TIERS) to the amount appropriated each year in HHSC's capital budget rider for TIERS payments to the Master Lease Purchase Program (MLPP). The TIERS MLPP obligation for fiscal year 2012 exceeded the capital rider appropriation. This adjustment reflects a reduction in the fiscal year 2013 appropriation to offset the increase needed for fiscal 2012 payments.
----	--

BUDGET VARIANCES

The variances in Schedules 3 and 5 of this report reflect trends for caseloads and costs and assumptions regarding federal matching funds included in HHSC's Legislative Appropriations

Request (LAR) submitted August 23, 2012. Projected expenditures have been updated again this month to include additional capital budget authority that was carried forward from fiscal year 2012 and was not assumed in the agency's LAR expenditure projections for 2013.

In addition, we have not included in this report a number of appropriation adjustments impacting budget variances in Schedules 3 and 5 that were included in the agency's LAR. These adjustments will be included in future reports only as required notifications are submitted, approvals received, revenues collected, and/or actual adjusting entries are processed in the Uniform State Accounting System.

Note that Schedule 3 indicates balances in the variance column for certain estimated appropriations that HHSC projects will not be fully realized and for others that HHSC anticipates will exceed the initial H.B.1 appropriation.

- Appropriations that are anticipated to result in lapsed budget authority because revenues will not be collected are expressed as a positive variance (3643 Premium Co-payments, Low Income Children, 666 Appropriated Receipts, and 8062 Appropriated Receipts – Match for Medicaid).
- Appropriations for which revenues are projected to exceed the SB 1 estimate are reflected as a negative variance (705 Medicaid Program Income, 706 Vendor Drug Rebates - Medicaid, 8070 Vendor Drug Rebates - CHIP, 8081 Vendor Drug Rebates - Supplemental, 0777 Interagency Contracts, and 8044 Medicaid Subrogation Receipts).

Finally, note that, in an effort to focus on anticipated general revenue shortfalls and/or surpluses, HHSC has increased the Operating Budget column prior to actual revenue collection for those federal funds that it projects will exceed the H.B.1 estimate and has decreased the Operating Budget for those for which federal revenues are anticipated to be less than the H.B.1 estimate.

SIGNIFICANT CHANGES FROM PREVIOUS REPORT

This is the second report for appropriation year 2013. Significant changes in this month's report include an additional \$48.2 million in capital budget appropriations carried forward from fiscal year 2012 (adjustment H) and transfers to Goal B Medicaid from DARS (F4 and I).

OTHER KEY BUDGET ISSUES

The Method of Finance used throughout the report is based upon currently known federal cost allocation factors and methodologies and will be updated as required by the federal government, which could result in future Method of Finance adjustments.

Status of Pending Transfers and Authority Requiring Prior Approval

HHSC Letter Topic	HHSC Letter Date	Approval/Response Received by December 3, 2012	
		LBB	Governor
Appropriation Year 2013			
Authority to Transfer Funds Within and Between Health and Human Services Agencies to Cover Costs in Fiscal Year 2013 (HHSC-2012-A-198)	09/25/2012	N	N
Approval to Exceed Capital Budget Expenditure Limitations Fraud Case Management Software Toolset for OIG - HHSC-2012-A-208	11/05/2012	N	N

CAPITAL BUDGET ISSUES

The budgets and projected expenditures in Schedule 7 (Capital Projects) reflect the HHSC 2012-2013 capital appropriation levels. Adjustments will be reflected in Monthly Financial Reports as revenues are realized and/or actual adjusting entries are processed in the Uniform State Accounting System.

The Capital Projects schedule has been updated to reflect current year-to-date expenditures.

Adjustment CC1 reflects a transfer from a non-capital to a capital budget item within 25% authority pursuant to Article IX, Sec 14.03 (i) Limitations on Expenditures – Texas Integrated Eligibility Redesign System (TIERS).

Adjustment H reflects carry forward from fiscal year 2012 to 2013 pursuant to Article IX, Sec 14.03 (j) Limitations on Expenditures - Capital Budget (UB).

Adjustment J reflects a reduction to the Texas Integrated Eligibility Redesign Systems (TIERS) Lease Payments to MLPP capital project pursuant to Article II, HHSC Rider 26.

Projected expenditures have been adjusted for the TIERS Lease Payments to MLPP and Data Center Consolidation capital projects to reflect current estimates.

Mr. Jonathan Hurst, Director
Ms. Ursula Parks, Director
