## **Background**

The Legislative Budget Board and the Governor's Office informed HHSC in a letter dated May 17, 2010, of their revision to the Spending Reduction Plan for the 2010-11 Biennium submitted by HHSC. The spending reduction plan was submitted in response to a letter dated January 15, 2010 from the Governor, Lieutenant Governor, and Speaker requesting a spending reduction proposal. As a result of this revision to the spending reduction plan the proposed reimbursement for all procedure codes submitted on and after September 1, 2010, will be equal to the reimbursement indicated on the agency's current fee schedule in effect at the time, less one percent.

## **Methodology**

The proposed reimbursements were determined in accordance with the reimbursement methodology at Title 1 of the Texas Administrative Code (1 TAC) §355.8441, Texas Medicaid Reimbursement Methodology for Early and Periodic Screening, Diagnosis and Treatment (EPSDT), EPSDT Personal Care Services (PCS), and EPSDT Private Duty Nursing (PDN). The reimbursement for interim services provided on and after September 1, 2010, will be equal to the reimbursement indicated on the agency's current fee schedule in effect at the time, less one percent. These rates were subsequently adjusted in accordance with 1 TAC §355.201, Establishment and Adjustment of Reimbursement Rates by the Health and Human Services Commission.
